

How to Access the Questions and Answers of an Exam or Exercise After the Deadline Has Passed and Everyone Has a Score

After everyone in your class has taken an exam or completed an exercise on eCampus, and the deadline date has passed, you can access the questions and answers, for review purposes. Here's how:

1. Go into eCampus and click on the EXAMS or EXERCISES button.
2. Click on the link for the specific exam or exercise you wish to review.
3. On the next screen you will see a button that says "Begin." Click on it.
4. You will then see the words "TEST PREVIOUSLY TAKEN" and two gray buttons. Click on the one that says, "VIEW ALL ATTEMPTS."
5. On the right-hand side of the next screen you will see your "calculated grade." It will be blue. Click on it and you will be taken to a page where you can see all the questions, your answers, and also the correct answers to any questions you answered incorrectly.
6. When you are finished reviewing the results, click on "OK" at the bottom right side of the page, or just log out.
