Methods of Evaluation:

COURSE CONTENT EXAMS:

- Four course-content exams will be taken on **eCampus** at regular intervals during the semester. Each online exam counts for ten percent (10%) of your course grade, for a total of forty percent (40%).
- Each online exam consists of 50 mostly multiple-choice questions, which must be completed at one sitting and within a time limit of 1 hour, by the deadline date(s) shown in the course calendar.
- There will also be a comprehensive Final Exam, consisting of 100 mostly-multiple choice questions, to be administered in class on Final Exam day. The Final Exam counts for twenty percent (20%) of your course grade.

ADDITIONAL READING EXERCISES:

- At regular intervals during the semester, students will complete four *Additional Reading Exercises (AREs)*, which require reading and answering questions about a variety of primary source documents (available in text form on the Internet, from resource links provided by the professor). *AREs* are available for downloading and/or printing from the “Additional Reading” section of the professor’s website. Each *ARE* counts for two and one-half percent (2.5%) of your grade, for a total of ten percent (10%).
- Each *ARE* consists of 25 mostly multiple-choice questions, to be answered on **eCampus**. The deadline for completion of each *ARE* is shown in the course calendar.

MAP EXERCISES:

- At regular intervals during the semester, students will complete four *Map Exercises*, which require answering questions about a variety of both modern and antique maps (viewable on the professor’s website). Each *Map Exercise* or *MAPEX* counts for two and one-half percent (2.5%) of your grade, for a total of ten percent (10%). *MAPEXs* are available for downloading and/or printing from the “Additional Reading” section of the professor’s website.

Make-up Exam Policy:

In general, make-up exams are not permitted. Any student who does meet the deadline for taking an exam will have two choices: Either take a zero (0) for the missed exam (which is not recommended), or exercise the Replacement Credit Option (RCO), explained below. *However, students are warned that exercising the RCO to make up a missing exam may only be done once.* If a student misses any further exams, he or she will have no choice but to take a zero (0) for the missed exam(s). Exceptions to this rule may be made if there were extenuating circumstances beyond the student's control, which can be proven by documentary evidence.

Replacement Credit Option (RCO):

An individual *Replacement Credit Option (RCO)* is available for students who wish to use it, *one time only*, to replace either a.) his or her lowest exam score, or b.) a missing exam score, or c.) his or her two lowest exercise scores. Advance permission from the professor is required. For details, see the "Course Information section of the professor's website (<http://profbutler.watermelon-kid.com/>). NOTE: The RCO may *not* be exercised in lieu of the Final Exam.

Grade Questions and Postings:

If a student has a question about grades, it is required that the student meet with the professor during office hours or by appointment only to discuss grade concerns. Please note that the instructor can only disclose grades to the student. Please consult FERPA. Family Educational Rights and Privacy Act (<http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>) Final grades will be computed on the basis of a numerical average of your test less penalties for excessive absences on eCampus and eConnect. Grades reports are not mailed. It is the student's responsibility to access their grades online. Grades are available throughout the semester on eCampus. Final grades are accessible at the end of the semester with your student identification number by logging in to eConnect at <http://econnect.dccd.edu> or call (972) 613-1818. Once final grades are submitted, students will have 24 hours to notify instructor grade issues.

Attendance Policy: *Attendance is required* and counts for ten (10) percent of the student's overall grade. Each student who attends all class sessions, is never tardy, and never leaves early will receive an attendance grade of 100 (one-hundred) for the course. The student's attendance grade will be lowered proportionally for each unexcused absence, tardy and/or early departure. If a situation arises unexpectedly over which the student has little or no control such as illness, a death in the family, auto accident, etc., or participation in an official college-related activity, which can be corroborated by documentary evidence, the absence will be excused. Absences due to student choice (such as, but not limited to, a vacation) will **not** be excused.

In order to avoid having an unexcused absence, students should exercise care, whenever possible, not to schedule any appointment, vacation, or any other activity of choice during periods when the college is open and classes are in session.

Students who need to arrive late or leave early should inform the professor ahead of time by email and also verbally at the beginning of class, while citing the reason for the expected lateness or early departure.

Withdrawal Policy

If you are unable to complete this course, it is your responsibility to withdraw formally. The withdrawal request must be received in the Registrar's Office by (semester's drop date). Failure to do so will result in your receiving a performance grade, usually an "F." If you drop a class or withdraw from the college before the official drop/withdrawal deadline, you will receive a "W" (Withdraw) in each class dropped. For more information about drop deadlines, refer to the current printed Credit Class Schedule, contact the Admissions/Student Records office at 972-238-6100 or 6101 (Thunderduck Hall, T170), or contact the division office.

Drop Date:

The last day to withdraw from this class without a grade of "W" is Monday, September 10, 2018.

The last day to withdraw from this class with a grade of "W" is Thursday, November 15, 2018.

Stop Before You Drop

For students who enrolled in college level courses for the first time in the fall of 2007, Texas Education Code 51.907 limits the number of courses a student may drop. You may drop no more than 6 courses during your entire undergraduate career unless the drop qualifies as an exception. Your campus counseling/advising center will give you more information on the allowable exceptions.

Remember that once you have accumulated 6 non-exempt drops, you cannot drop any other courses with a "W". Therefore, please exercise caution when dropping courses in any Texas public institution of higher learning, including all seven of the Dallas County Community Colleges. For more information, you may access <https://www1.dcccd.edu/6drop>

Repeating a Course

Effective from Fall Semester 2005, the Dallas County Community Colleges will charge additional tuition to students registering the third or subsequent time for a course. All third and subsequent attempts of the majority of credit and Continuing Education/Workforce Training courses will result in additional tuition to be charged. Developmental Studies and some other courses will not be charged a higher tuition rate. Third attempts include courses taken at any of the Dallas County Community Colleges since the Fall 2002 Semester. See Third Attempt to Enroll in a Course at: <http://www.dcccd.edu/thirdcourseattempt/>

Classroom Policies/Student Responsibilities:

- **General Policy:** Students are expected to conduct themselves in a courteous and responsible adult manner. Profanity, insulting remarks, and other inappropriate language have no place in the classroom. Reading newspapers or magazines, working out crossword or other types of puzzles, sleeping, or any other behavior that makes it clear the student is not paying attention to the lesson is unacceptable and not permitted. In other words, students are expected to be alert, to pay attention, and to take notes. *Please familiarize yourself with and observe the rules and regulations of Richland College and the Dallas County Community College District.*
- **Talking in class:** Questions, observations, and comments that are relevant to the lesson are strongly encouraged. However, in order that lectures and/or discussions may be orderly and so that everyone may hear and learn, no matter who is speaking, students are expected to remain quiet and to raise their hands when they wish to be called upon by the professor. Chronic failure to observe this rule will almost certainly result in disciplinary action.
- **Electronic Devices:** The use of any sort of electronic device, including laptop computers and tablets, during class is prohibited. Every detected violation of this policy will result in 1 (one) point being deducted from the student's final grade average. With permission, exceptions will be for the use of recording devices by students with a documented disability or by students whose primary language is not English.
- **Food and Drink in Classroom:** Beverages will be permitted in the classroom but each student must take full responsibility to remove bottles, trash, etc. from the learning environment and to deposit trash in appropriate receptacles outside the classroom. Only non-alcoholic beverages such as coffee, tea, carbonated drinks, and fruit juices will be permitted. Additionally, beverages must be in a spill-proof container. No open topped containers, including cans, will be permitted. The eating of food of any kind will not be permitted in the classroom. Every detected violation of this policy will result in 1 (one) point being deducted from the student's final grade average.
- **Children on Campus:** Minors should not be brought to campus in lieu of appropriate childcare. A student will not be allowed to attend class when minors are accompanying the student. Minors should not be brought into classrooms, laboratories, the Test Center, Center for Tutoring and Learning Connections, Library, or Academic Computing areas because of disruption of instruction or study, exposure to materials unsuitable for minors, and possible danger to minors.

Financial Aid: If you are receiving any form of financial aid, you should check with the Financial Aid Office prior to withdrawing from classes. Withdrawals may affect your eligibility to receive further aid and could cause you to be in a position of repayment for the current semester. Students who fail to attend or participate after the drop date are also subject to this policy.

Academic Honesty: Scholastic dishonesty is a violation of the Code of Student Conduct. Scholastic dishonesty includes, but is not limited to, cheating on a test, plagiarism, and collusion.

As a college student, you are considered a responsible adult. Your enrollment indicates acceptance of the DCCCD Code of Student Conduct published in the DCCCD Catalog. (<https://www1.dcccd.edu/cat0506/ss/code.cfm>)
